

Jaival Katira

Mumbai, India | +91 8169198273 | jaival.katira@gmail.com [LinkedIn](#) | [GitHub](#)

→ Professional Summary

Data Science student with a strong foundation in statistical modeling, machine learning, and interactive data deployment. Proven track record in analytical roles and leadership, combining technical expertise in Python and SQL with a strategic mindset developed through finance research and high-stakes revenue generation.

→ Education

SVKM's NMIMS, Mukesh Patel School of Technology Management & Engineering | Mumbai, India *B.Tech in Data Science* | CGPA: 8.32/10 | Expected 2028

→ Technical Skills

- **Languages:** Python (Pandas, NumPy, Scikit-Learn, SciPy, Matplotlib, Seaborn, Flask, Streamlit), SQL, C++, R.
- **Data Tools:** Tableau, Power BI, Excel, Android Studio (Basics).
- **Specializations:** Machine Learning (Naive Bayes), Hypothesis Testing, Data Cleansing, Prompt Engineering.

→ Professional Experience

Gravitas Mentor | *Finance Research Analyst* | June 2025 – July 2025

- Conducted deep-dive research into financial markets and investment instruments.
- Leveraged 2+ years of personal investing experience to evaluate market volatility and asset performance.

Rifa Pharma | *Data Analyst Intern* | Sept 2024 – Dec 2024

- Analyzed operational datasets to identify trends and improve reporting efficiency.
- Utilized data visualization tools to present actionable insights to senior management.

→ Key Projects

Machine Learning Deployment (Naive Bayes) | [Link](#)

- Developed and deployed a classification model using Python and Streamlit.
- Focused on algorithm efficiency and user-friendly interface for real-time predictions.

Statistical Analysis & Hypothesis Testing App | [Link](#)

- Built an interactive tool to automate statistical validation and hypothesis testing.
- Streamlined the process of data verification for research-oriented tasks.

Custom Web Solutions & E-Visiting Card | [Project Link](#) | [Card Link](#)

- Developed a specialized web application and digital identity card for a professional client.
- Focused on UX/UI design and seamless deployment using Streamlit and Canva ecosystems.

Smart India Hackathon (Round 2) | *Data Specialist*

- Architected a complete data cleansing pipeline for a high-volume dataset.
- Optimized data integrity, advancing the team to the national-level evaluation rounds.

→ Leadership & Positions of Responsibility

Social Conclave | *Head of Research & Development*

- Leading the R&D wing to drive social innovation projects and data-backed outreach strategies.

MUN Society | *Lead, Public Relations*

- Spearheaded sales and communication efforts, **generating ₹2 Lakh+ in revenue.**
- Selected by the university to represent the institution at **Harvard World Model United Nations 2026.**

→ Certifications & Achievements

- **Certifications:** Prompt Engineering (Simplilearn).
- **Achievements:** 2+ years of active market investing experience; Advanced to 2nd Round of SIH.
- **Interests:** Financial Markets, Public Speaking, International Relations.
